Re: **AmeriHealth Caritas Pennsylvania Pediatric Preventive Dental Pay-for-Performance (P4P) Program Update**

This communication is to inform you of a change to the AmeriHealth Caritas Pennsylvania Pediatric Preventive Dental Pay-for-Performance (P4P) Program.

The P4P payments are funded to the plan through our contract with the Pennsylvania Department of Human Services (DHS). At times, changes to the funding received by the plan from DHS may require adjustments to incentive amounts and/or program structure. Therefore, the following program adjustment will be effective January 1,2026:

- Incentive payments for performing episodes of care and procedures included in the program will be standardized at $10 per member per calendar year for members 6 years through 20 years of age.
- Episodes of care and procedures included in the program and completed for members 0 through 5 years of age will continue to be eligible for two incentive payments per calendar year.

The 2026 Pediatric Preventive Dental P4P program details can be accessed at www.amerihealthcaritaspa.com → Providers → Resources → Dental program → Our Programs

Thank you for your participation in our network and for the care you and your staff continue to provide for our members. If you have any questions regarding this change, please contact your Dental Account Executive.
