

May 1, 2024

Dear AmeriHealth Caritas Pennsylvania OB/GYN Provider,

As a reminder, effective January 1, 2023, the codes associated with the electronic submission of the Obstetrical Needs Assessment Form (ONAF) [T1001 U9 and 94429] were discontinued from reimbursement at the claims level resulting in unpaid claims for those codes. Commencing on January 1, 2023, reimbursement for submission of the initial ONAF form were made through the 2023 Maternity Quality Enhancement Program (MQEP) year, and subsequently the entire ONAF series for the 2024 program year. This component will be paid out at the current contracted rate to providers during the 4th and final settlement of the program year as indicated below and will be associated with the EOB code "ONAF".

Important Payment Note

Payment is dependent on a complete and accurate submission of the ONAF forms. If we are unable to attribute a completed ONAF series to your group, it is due to errors or incomplete ONAF forms. Errors that may impact payment include but are not limited to incorrect Medical Assistance Identification (MAID) provider numbers, incomplete series of ONAFs submitted, etc.

2023 MQEP Program Year [Initial ONAF Form Submissions]

Settlement	Deliveries	Claims Paid Through	Payment Date
2023d	40	3/31/2024	6/1/2024

2024 MQEP Program Year [Complete ONAF Series Submissions]

Settlement	Deliveries	Claims Paid Through	Payment Date
2024d	40	3/31/2025	6/1/2025

The MQEP 4th Cycle settlement ONAF scorecard will be available, and payment will be issued June 2024.

If you have any questions regarding this value-based program component, please contact your Provider Account Executive. Thank you for your continued partnership with AmeriHealth Caritas Pennsylvania in the service of our members, and for your critical role in providing and coordinating care for them.

Sincerely,

Stephen Orndorff
Director, Provider Network Management
