Re: Electric Breast Pump Limitations and Reimbursement Rate Change

AmeriHealth Caritas PA/AmeriHealth Caritas CHC are following the Department of Human Services (DHS) recently published limitations for electric breast pumps. The limitation and reimbursement changes are outlined in the chart below. Effective December 15, 2021:

Procedure Code	Description	Fee	Member/Participant Limitation
E0603 (NU)	Breast pump electric (AC and/or DC), any type	Your DME provider contracted rate (based on the AmeriHealth Caritas PA DME fee schedule)	One pump per calendar year

Thank you for your continued participation in our network and your commitment to the care of our Members and Participants. If you have any questions regarding this notice, please contact your Provider Account Executive or Provider Services at 1-800-521-6007.
