Re: Capitation to Quest Diagnostics, Inc. discontinued

Effective February 1, 2021, your AmeriHealth Caritas Pennsylvania patients will no longer be required to receive outpatient laboratory tests or processing of lab specimens from Quest Diagnostics network of laboratories.

What does this mean?

When an AmeriHealth Caritas Pennsylvania patient requires outpatient laboratory services, you will now have the following choices for their laboratory tests or processing of lab specimens:

- Continue to send them to Quest Lab; or
- Utilize any AmeriHealth Caritas Pennsylvania participating laboratory, or hospital outpatient laboratory

Our members affected by this change are being issued new ID cards that will no longer have an indication of a specific lab to use.

We are confident that removing this capitation requirement will make providing lab services to your AmeriHealth Caritas Pennsylvania patients more convenient for both you and them. Thank you for your participation in our network and the care you provide to our members.

If you have any questions regarding this change, please contact your Provider Account Executive or Provider Services at 1-800-521-6007.
