Re: Ordering and Dispensing Blood Pressure Monitors

As a reminder, AmeriHealth Caritas PA/AmeriHealth Caritas PA CHC providers who believe their patients would benefit from an automatic blood pressure monitor (A4670) should give them a prescription that can be taken to any participating network pharmacy. The pharmacy will dispense the blood pressure monitoring equipment.

If you have any questions regarding this reminder, please contact your Provider Account Executive or Provider Services at **1-800-521-6007**.
