Re: New choice for AmeriHealth Caritas PA outpatient laboratory services

We are pleased to announce that effective January 2023, Labcorp is another choice for your AmeriHealth Caritas PA patients requiring outpatient lab tests or processing of lab specimens.

When an AmeriHealth Caritas PA patient requires outpatient laboratory services, you have the following choices:

- Send them to Labcorp; or
- Continue sending them to Quest Diagnostics; or
- Utilize any AmeriHealth Caritas PA participating laboratory, or participating hospital outpatient laboratory

As a reminder, AmeriHealth Caritas PA member ID cards no longer have an indication of a specific lab to use.

Thank you for your participation in our network and the care you provide to our members. If you have any questions regarding this notice, please contact Provider Services at 1-800-521-6007 or your Provider Account Executive.
