### AmeriHealth Caritas Pennsylvania and AmeriHealth Caritas Northeast Specifications for Gaps in Care

#### Influenza Vaccination

- The purpose of this measure is to identify and track members who are due for influenza vaccination.

| Which Members are Included? (Denominator) | Members with active coverage with the insurance plan as of the last day of the reporting period.  
|                                           | Members who turn two years old during the reporting period. |
| What Provider Data is Included? (Numerator) | Members who received at least two influenza vaccinations, with different dates of service, between six months and two years of age.  
|                                           |   - Missing: No influenza vaccination.  
|                                           |   - Up-To-Date: At least two influenza vaccinations with different dates of service between six months and two years of age.  
|                                           |   - Series Incomplete: One influenza vaccination between six months and two years of age. |

| Provider Communication Tools (How providers receive the information) | Claims data is evaluated on a monthly basis for all members. In the event that there is no claim for this specific service, the system generates an automatic notice of Care Gap. Care Gap status notification is provided by and accessible through NaviNet via:  
|                                                                       |   - Member Eligibility “pop-up” alerts.  
|                                                                       |   - Care Gap Query Reports.  
|                                                                       |   - Member Clinical Summary Reports.  
|                                                                       |   - Monthly NaviNet report updates reflect Gaps In Care for PCP practice panel membership.  
|                                                                       |   - Panel membership results include indicators for this Gaps In Care measure as “Missing”, “Up-to-date”, or “Series Incomplete”. |
