Question	Answer
<p>What information is required in order to receive prior authorization?</p>	<p>To expedite the process, please have the following information ready before logging on to the website or calling the NIA Call Center (*denotes required information):</p> <ul style="list-style-type: none"> • Name and office phone number of ordering physician* • Member name and ID number* • Requested examination* • Name of provider office or facility where the service will be performed* • Anticipated date of service (if known) • Details justifying examination.* <ul style="list-style-type: none"> – Symptoms and their duration – Physical exam findings – Conservative treatment the patient has already completed (e.g., physical therapy, chiropractic or osteopathic manipulation, hot pads, massage, ice packs, medications) – Preliminary procedures already completed (e.g., X-rays, CTs, lab work, ultrasound, scoped procedures, referrals to specialist, specialist evaluation) – Reason the study is being requested (e.g., further evaluation, rule out a disorder)
<p>Can a provider request more than one procedure at a time for a member (i.e., CT of abdomen and CT of thorax)?</p>	<p>Yes, NIA can handle multiple authorization requests per contact. Separate authorization numbers are issued by NIA for each study that is authorized.</p>
<p>What kind of response time can ordering providers expect for prior authorization?</p>	<p>Generally, within two business days after receipt of request, a determination will be made. In certain cases, the review process can take longer if additional clinical information is required to make a determination.</p>
<p>What does the NIA authorization number look like?</p>	<p>The NIA authorization number consists of eight or nine alpha-numeric characters. In some cases, the ordering provider may instead receive an NIA tracking number (not the same as an authorization number) if the provider's authorization request is not approved at the time of initial contact. Providers can use either number to track the status of their request online or through an Interactive Voice Response (IVR) phone system.</p>
<p>If requesting authorization through RadMD and the request pends, what happens next?</p>	<p>You will receive a tracking number and NIA will contact you to complete the process.</p>
<p>Can RadMD be used to request an expedited authorization request?</p>	<p>No, those requests will need to be called into NIA's call center for processing. The number to call to obtain a prior authorization is 1-800-424-5657.</p>

Question	Answer
What happens if a patient is authorized for a CT of the abdomen, and the radiologist or rendering physician feels an additional study of the thorax is needed?	If the radiologist or rendering provider thinks an additional study is needed in addition to the study already authorized, please contact NIA immediately with the appropriate clinical information for an expedited review. The number to call to obtain a prior authorization is 1-800-424-5657 .
Can the rendering facility obtain authorization in the event of an urgent test?	Yes, if an urgent clinical situation exists outside of a hospital emergency room, please contact NIA immediately with the appropriate clinical information for an expedited review. The number to call to obtain a prior authorization is 1-800-424-5657 .
How long is the prior authorization number valid?	The authorization number is valid for 60 days from the date of request. When a procedure is authorized, NIA will use the date of the initial request as the starting point for the 60-day period in which the examination must be completed.
Is prior authorization necessary for an outpatient, advanced imaging service if AmeriHealth Caritas Pennsylvania is NOT the member's primary insurance?	Yes, prior authorization is necessary for outpatient advanced imaging if AmeriHealth Caritas Pennsylvania is not the member's primary insurance.
If a provider obtains a prior authorization number, does that guarantee payment?	An authorization number is not a guarantee of payment. Authorizations are based on medical necessity and are contingent upon eligibility and benefits. Benefits may be subject to limitations and/or qualifications and will be determined when the claim is received for processing.
Does NIA allow retro-authorizations?	It is important that rendering facility staff be educated on the prior authorization requirements. Beginning July 1, 2014, claims for CT/CTA, MRI/MRA, PET scan, CCTA, and nuclear cardiology/MPI procedures that have not been properly authorized will not be reimbursed. The rendering facility should not schedule procedures without prior authorization.
Can a provider verify an authorization number online?	Yes, providers can check the status of member authorization quickly and easily by going to the NIA website at www.RadMD.com .
Will the NIA authorization number be displayed on the AmeriHealth Caritas Pennsylvania website?	No, the NIA authorization number will not be displayed on the AmeriHealth Caritas Pennsylvania website.
Scheduling exams	

Question	Answer
How will NIA determine where to schedule an exam for an AmeriHealth Caritas Pennsylvania member?	NIA will manage non-emergent outpatient radiology services through AmeriHealth Caritas Pennsylvania's contractual relationships.
Why does NIA ask for a date of service when authorizing a procedure? Do physicians have to obtain an authorization before they call to schedule an appointment?	At the end of the authorization process, NIA asks where the procedure is being performed and the anticipated date of service. The exact date of service is not required. Physicians should obtain authorization before scheduling the patient
Which medical providers are affected?	
Which medical providers are affected by the outpatient imaging program?	<p>Any provider who orders or performs advanced imaging procedures in an outpatient setting. Privileging	

Question	Answer
<p>Where can I direct questions about AmeriHealth Caritas Pennsylvania Diagnostic Imaging Provider Assessment Application and/or privileging process?</p>	<p>If providers have any questions regarding the AmeriHealth Caritas Pennsylvania Diagnostic Imaging Provider Assessment Application or process, contact NIA's Provider Assessment Department toll free at 1-888-972-9642 or at RADPrivilege@Magellanhealth.com.</p>
<p>Is NIA able to assist providers with questions specific to accreditation and/or about policies and procedures referenced in the AmeriHealth Caritas Pennsylvania Diagnostic Imaging Provider Assessment Application?</p>	<p>Yes, NIA's experienced staff can assist providers with questions specific to accreditation and/or policies and procedures referenced in the Diagnostic Imaging Provider Assessment Application (e.g., the components of a comprehensive Radiation Safety/ALARA Program). Providers may contact the Provider Assessment department toll-free at 1-888-972-9642 with any questions.</p>
<p>How do I access the AmeriHealth Caritas Pennsylvania Diagnostic Imaging Provider Assessment Application?</p>	<p>To access the online application, visit www.RadMD.com. Click the link for the Diagnostic Imaging Provider Assessment Application (located under Online Tools). Enter your login in the "Login" box. (If you do not know your login, please contact NIA's Provider Assessment department toll free at 1-888-972-9642).</p>
<p>How user-friendly is NIA's online Diagnostic Imaging Privileging Application?</p>	<p>NIA offers a very user-friendly online application that can be quickly and easily completed by the user. It is a "smart" application, which only will ask you questions that apply directly to your practice, based on the previous responses you provided. For example, if your office offers only MRI services, you will not be asked any questions regarding CT or other imaging modalities.</p> <ul style="list-style-type: none"> • If you need to step away from the computer, you can choose to save the application and return to complete it at a later time. • The application will also "auto save" if you forget to save the application before completing and submitting it. • If there are changes to the practice information after the initial application has been submitted (e.g., practice obtained an additional piece of equipment or achieved accreditation), you may access your original application online, make the necessary modifications, and submit a revised application. It is important to note that you are able to revise an existing application rather than being forced to complete a whole new application. • However, please note that a separate application is required for each practice location.

Question	Answer
<p>I have additional practice locations. Do I need to complete additional applications?</p>	<p>A separate application must be completed for each practice location at which diagnostic imaging services are performed. Facilities do not always perform the same imaging services at each of their locations. Imaging equipment can also be different at each site. To ensure we have accurate information for each location, we require a separate application be completed for each additional location. Please contact NIA's Provider Assessment department at 1-888-972-9642 to obtain additional login(s). This will allow you to go online to complete an application for each location.</p>
<p>What is the difference between privileging and credentialing?</p>	<p>Privileging is separate and distinct from credentialing. Credentialing places emphasis on primary source verification of a physician's education, licensure, and certification. Privileging focuses on facility accreditation, equipment capabilities, physician and technologist education, training and certification, and facility management components such as radiation safety, ALARA (As Low as Reasonably Achievable).</p>
<p>Miscellaneous</p>	
<p>How is medical necessity defined?</p>	<p>NIA defines medical necessity as services that:</p> <ul style="list-style-type: none"> • Meet generally accepted standards of medical practice; are appropriate for the symptoms, consistent with diagnosis, and otherwise in accordance with sufficient evidence and professionally recognized standards; • Are appropriate to the illness or injury for which they are performed as to type of service and expected outcome; • Are appropriate to the intensity of service and level of setting; • Provide unique, essential, and appropriate information when used for diagnostic purposes; • Are the lowest-cost alternative that effectively addresses and treats the medical problem; and rendered for the treatment or diagnosis of an injury or illness; and • Are not furnished primarily for the convenience of the member, the attending physician, or other provider.
<p>Where can a provider find NIA's Guidelines for Clinical Use of Diagnostic Imaging Examinations?</p>	<p>NIA's Clinical Guidelines can be found on NIA's website, www.RadMD.com, under Online Tools/Clinical Guidelines. NIA's guidelines for the use of imaging examinations have been developed from practice experience, literature reviews, specialty criteria sets, and empirical data.</p> <ul style="list-style-type: none"> • To get started, go to www.RadMD.com, click New User, and submit a "RadMD Application for New Account." • Once the application has been processed and password link delivered by NIA via email, you will then be invited to create a new password. • Links to the approved training/education documents are found on the My Practice page for those providers logged in as Ordering Physician. • If you are an Imaging Facility or Hospital that performs imaging exams, an administrator must accept responsibility for creating and managing all logins to RadMD. Your RadMD login information should not be shared.

Question	Answer
<p>What will the member ID card look like? Will the ID card have both NIA and AmeriHealth Caritas Pennsylvania information on it? Or will there be two cards?</p>	<p>The AmeriHealth Caritas Pennsylvania member ID card will not contain any NIA identifying information on it. No additional card will be issued from NIA.</p>
<p>What is an OCR Fax Coversheet?</p>	<p>By utilizing Optical Character Recognition (OCR) technology, NIA can automatically attach incoming clinical faxes to the appropriate case in our clinical system. We strongly recommend that ordering providers print an OCR fax coversheet from www.RadMD.com or contact NIA at 1-888-642-7649 to request an OCR fax coversheet if their authorization request is not approved online or during the initial phone call to NIA. NIA can fax this coversheet to the ordering provider during authorization intake or at any time during the review process. By prefacing clinical faxes to NIA with an OCR fax coversheet, the ordering provider can ensure a timely and efficient case review.</p>
<p>Contact information</p>	
<p>Who can a provider contact for more information?</p>	<p>Providers can contact their Account Executive for more information. Contact information is available at www.amerhealthcaritaspa.com/provider/contact/index.aspx.</p>
